小红书@nz.celebrick

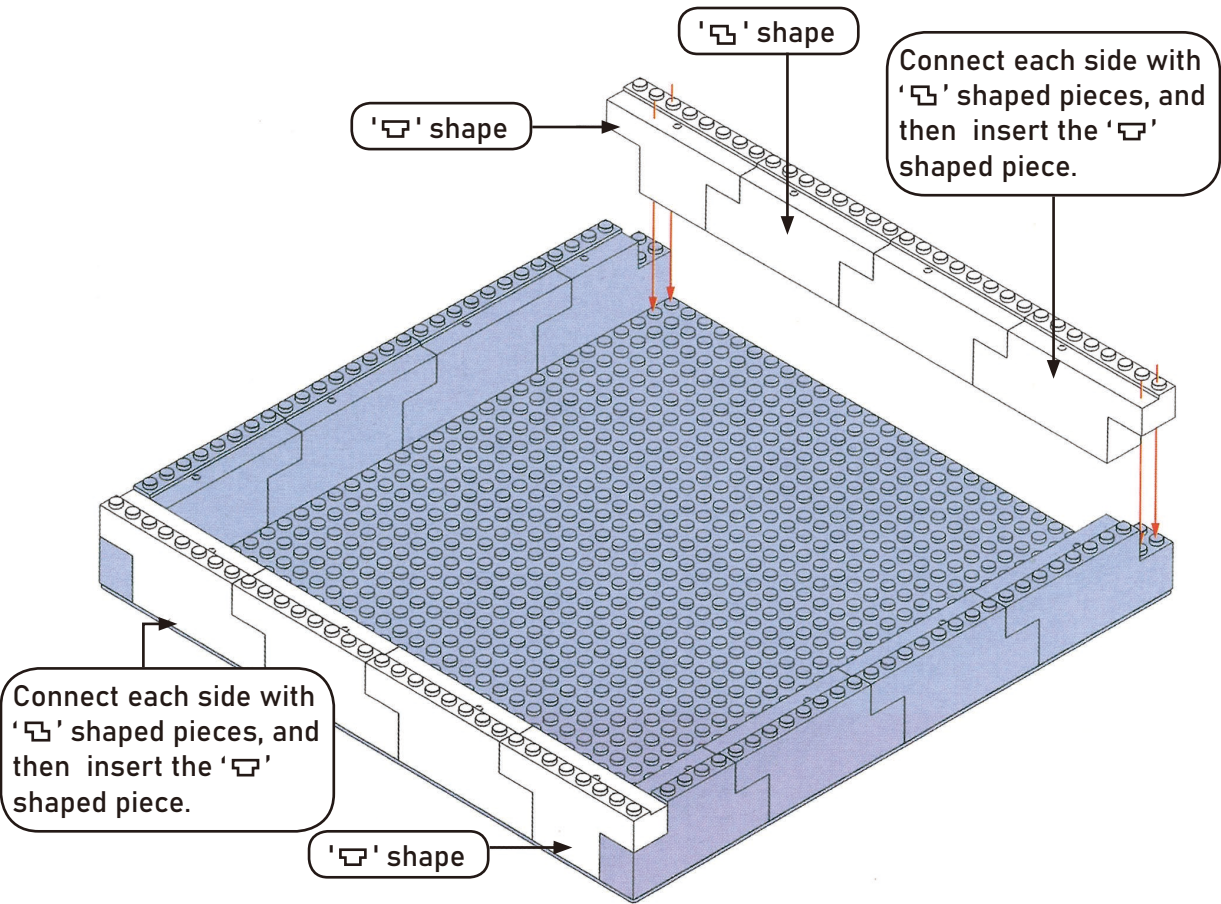

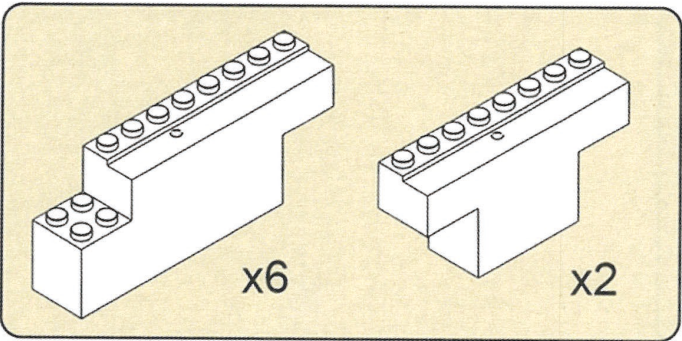

PART 1. Assemble the photo frame (1/3)

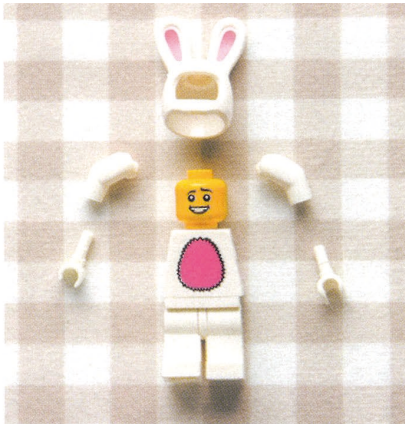

PART 1. Assemble the photo frame (2/3)

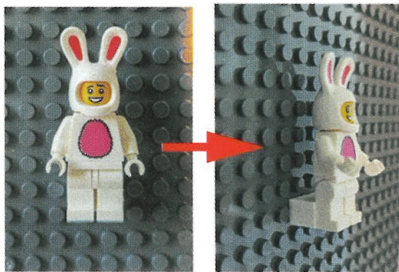

PART 1. Assemble the photo frame (3/3)

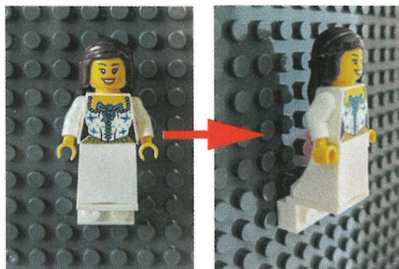

PART 2. Assemble the minifigure (example only)

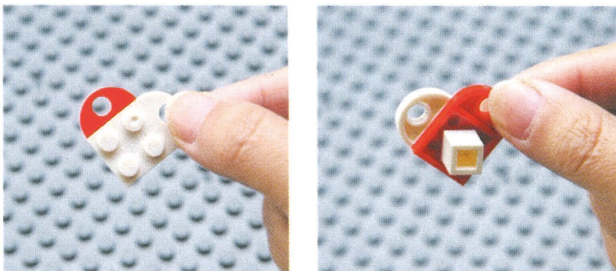

Connect minifigure's bodyparts one by one.

Attach minifigure to the base piece, then place it on the baseplate.

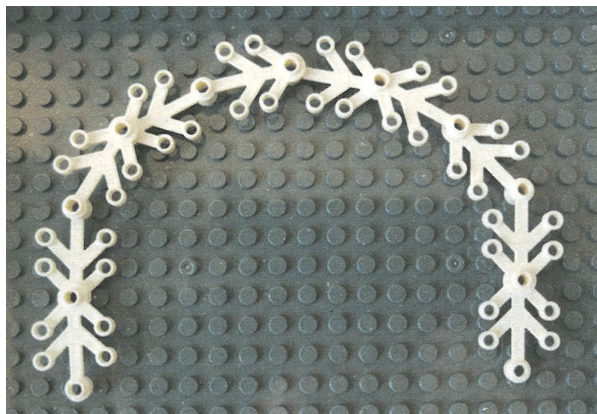

PART 3. Assemble the heart-shaped piece

Combine the two half-heart pieces together, then attach a 1x1 brick to the back of the heart.

PART 4. Arched flower wreath installation

1. Connect the branches at different heights, one higher and one lower.

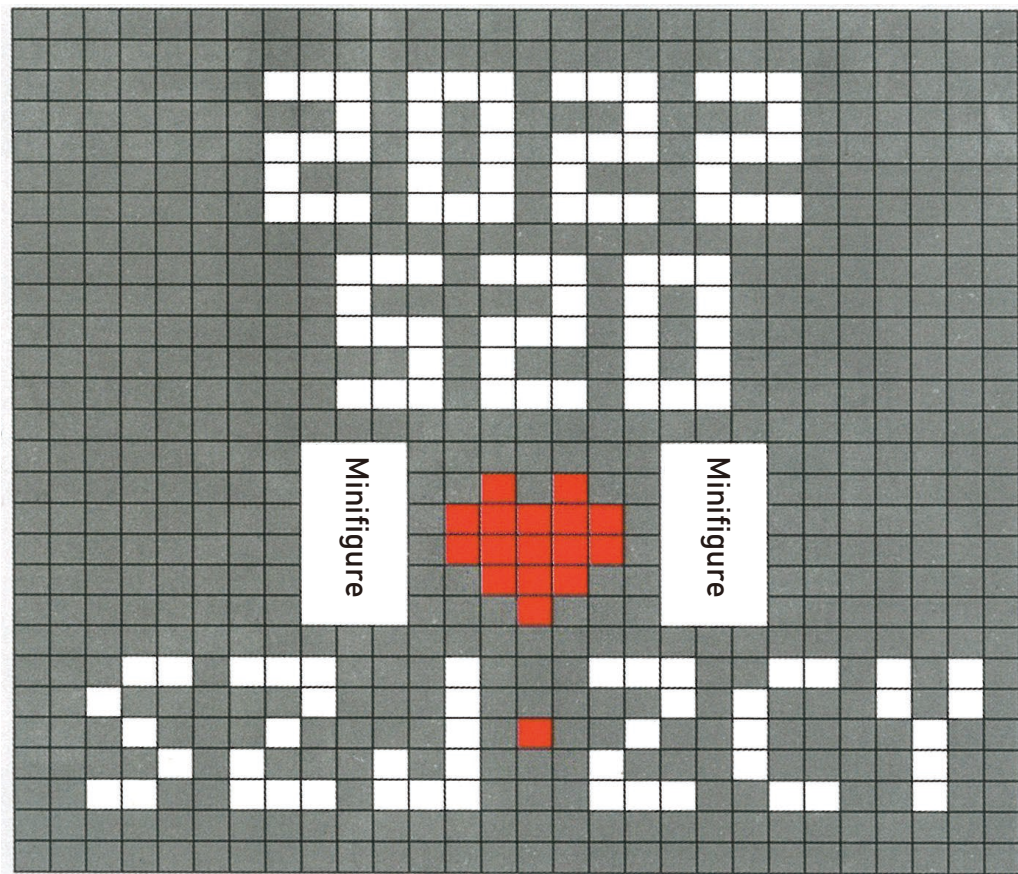

2. Place the piece with the large hole facing down onto the baseplate, then insert the flowers into the small holes.

PART 5. DIY 1x1 bricks to form letters

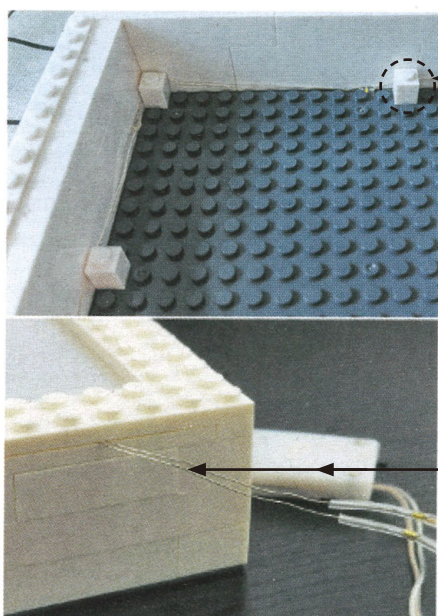

Example

PART 6. Light strip installation

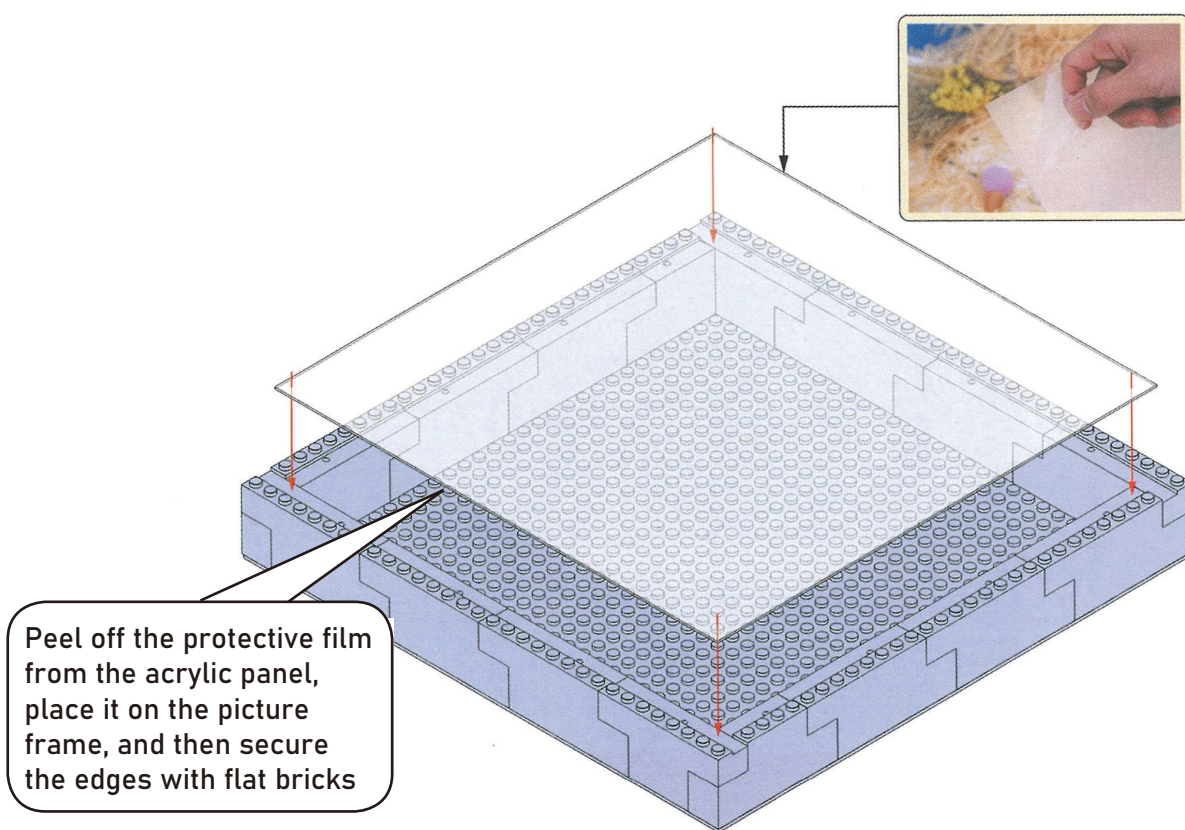

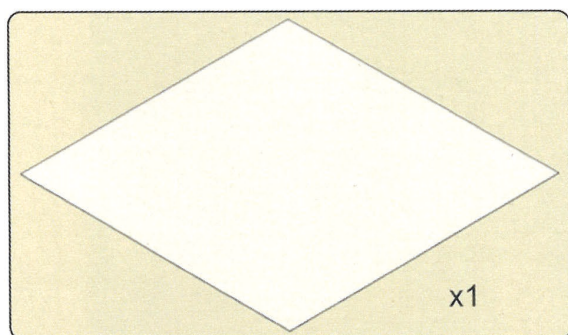

EXAMPLE ONLY, MINIFIGURE TYPES ARE VARIED

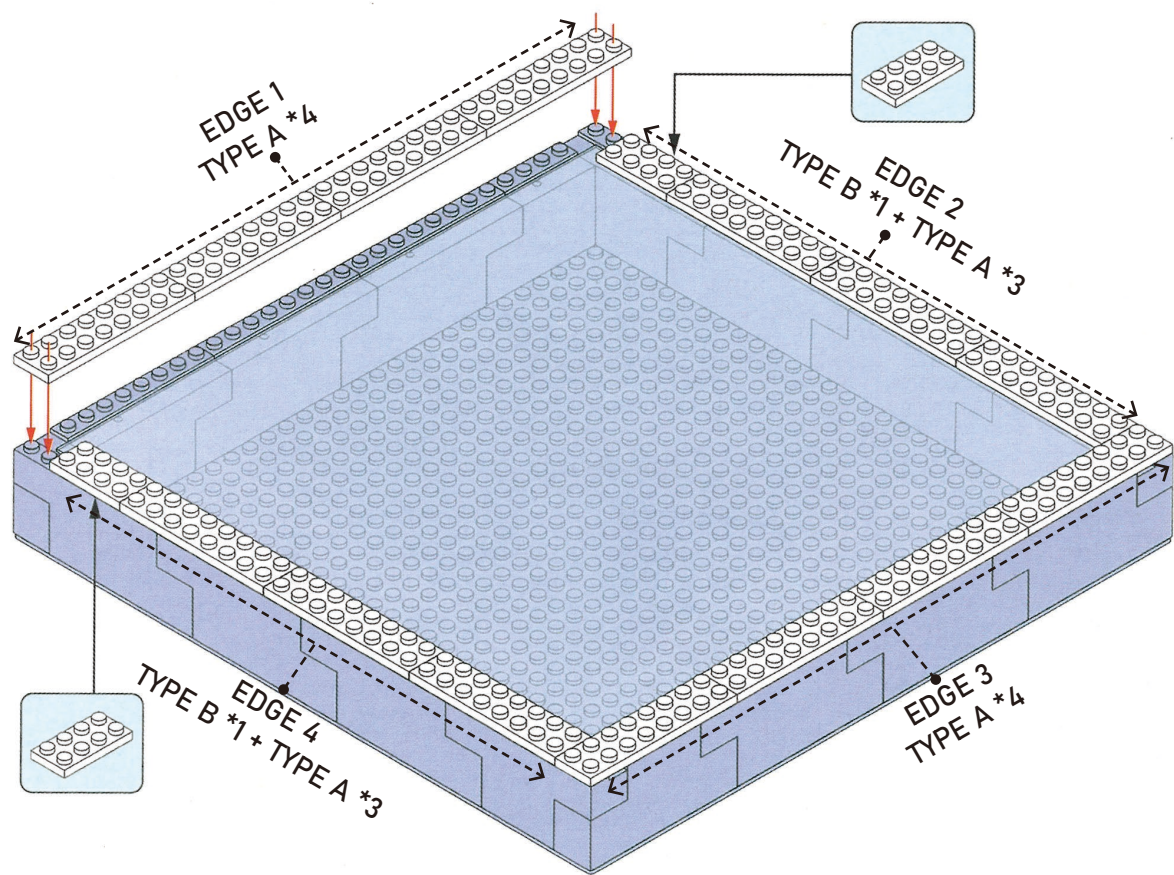

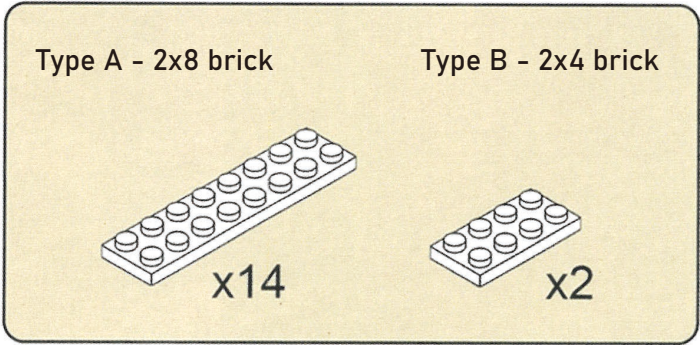

Light strip could be fixed around the edges using bricks

Place switch outside photo frame
